

Are you worried about something online?

There are some things that can upset you when using online devices. This includes mobiles, laptops, computers, tablets, gaming devices etc. You might see:

- Inappropriate content from an adult
- Nude images
- Gaming abuse
- Hate online
- Inappropriate adverts or videos
- Online terror content
- Any other concerns

What can you do?

- ⇒ Tell your trusted adults
- ⇒ Most websites/platforms will have a report button.
- ⇒ Report anything you find offensive or inappropriate
- ⇒ Save evidence of the abuse to show staff at school, parent or police
- ⇒ Use Kooth to talk about your worries
- ⇒ Use the 'report a concern' tool on School 360
