Cooking and Craft

At Hillcrest we feel that cookery and craft skills are an essential and exciting part of the curriculum we offer. So much so every class gets a double slot each week. As you can imagine this becomes expensive buying ingredients and resources throughout the year.

Thank you to all those who paid £5 for last term, we would appreciate your payment of £5 to cover the cost for the spring term. For those paid £15, thank you for your contribution, this payment covers you until the end of the school year so there is no further payment for you to make.

Here are some of the things we enjoyed making last term:

Many thanks for your support,

Kath Harrison
